## From Chief Editor's Desk

Dear Readers,

Welcome to the 10<sup>th</sup> issue of GCSMC Newsletter! New year brings new hopes, new challenges and new resolutions. I am glad to put here that many of the resolutions of last year have turned into success. Hence, This year also, we have continued our tradition of inviting professional resolutions from our clinical & non-clinical teams. Variety of resolutions, received showcasing the definite growth of GCSMCH & RC in upcoming year.

We started this year by achieving milestone – 2000 Happy & Satisfied Health Checkup Clientele in short span. Our bright students of Medical College have secured Top 10 ranking in Gujarat University Examinations and made us proud. The “Homeostasis - 2015” - inter college quiz competition on Biochemistry organized at GCS Medical College was another feather in its cap in the field of academics.

Moreover, the first quarter was full of events and we celebrated most of them with our ASSETS called EMPLOYEES. The glimpses of all happenings and events may be seen in detail in next pages. Various awareness campaigns and educational meets took place.

I wish you all enjoy reading this edition as always.

**Happy Reading**

**Neha Lal** (General Manager - Hosp. Admin & HR)

**Chief Editor**

## Milestone

### 2000 Health Checkup Patients

The health checkup department was started in the month of May 2012. By this time, department has crossed 2000 happy and satisfied clientele.

### Blood Component License

Blood Component license for blood bank has been received.

## Condolence

GCS Medical College, Hospital & Research Centre express deepest condolence to the family of **Dr. Kirit Shah (Professor – Dentistry)** on his demise due to Cardiac arrest on morning of 10th February 2015. GCS family pray to almighty to give enough strength to his family members to come out of this sorrow.

Gujarat Cancer Society has been exempted under the income Tax Act 35AC(100%) and 80G(50%). (Donation U/S 35(1)(ii) @ 175% income exemption is also available). GCS has also been approved by the Government of India to accept Foreign Contribution under FCRA. Donation can be given in Cash, Demand Draft or Cheque in the name of "The Gujarat Cancer Society", Asarwa, Ahmedabad-380016(INDIA).

# UPDATES

## Significant Updates

### Resolution 2015

Clinical & Non clinical HOD's were requested to give their professional resolutions for the year 2015. Following are the resolutions of committee members.

### MRCPCH Examination

GCS Medical College, Hospital & Research Centre is once again selected for MRCPCH Examination centre. MRCP (Membership of Royal Colleges of Physicians - UK) Part 2 examination was conducted on 17-18<sup>th</sup> Jan, 2015. Renowned doctors and examiners from UK and around the world were present and visited GCS Hospital during the examination. It is again very proud moment for GCS Hospital to be selected as an examination centre for MRCPCH Examination.

## Medical College Updates

### Homeostasis - 2015

With an aim to showcase the wide range of applications of the subject in clinical medicine, the Department of Biochemistry at GCS Medical College organized an Inter-Medical College Biochemistry Quiz on 27<sup>th</sup> March 2015. This was the first ever attempt at a quiz of this specialty among the medical students. 31 teams of students of 2014-15 batch from 17 out of the 19 medical colleges of Gujarat, competed for the winner's trophy. The staff from all over the state also served as referees, jury members and observers for the various knock-out and final rounds. In the words of the organizers "It was a lively session of quality information in an entertaining manner in a competitive environment". The team from Pramukhswami Medical College, Karamsad emerged as the champions while Gujarat Adani Institute of Medicine, Bhuj were the runners-up. GCS Medical College since its inception, has been conducting various academic activities of different specialties. Though the institute is still at a nascent stage of growth, but with its vision and activities has come to be recognized as an institute of repute. This event was another feather in its cap.

### Student Achievements

University Rankers:

- ★ Dr. Saloni Shah - 1<sup>st</sup> rank
- ★ Dr. Rushin Patel - 5<sup>th</sup> rank
- ★ Dr. Shreosi Sarkar - 7<sup>th</sup> rank

Dr. Saloni Shah

GCS student overall result in Gujarat University.

- 1<sup>st</sup> M.B.B.S. - 67 % students passed the examination.
- 2<sup>nd</sup> M.B.B.S. - 85.2% students passed the examination.
- 3<sup>rd</sup> M.B.B.S. - 96% students passed the examination.

### Cleft Children International

## HR Events

### Holi Celebration

In the festival of colors, HR dept. put "TIKAA" on all doctors & employees. As a tradition, the holi bonfire was lit of Tobacco in the campus.

### International Women's Day

Every 8<sup>th</sup> March International Women's Day (IWD) - celebrates the achievements of women of past and present throughout the world. This year, we celebrated "International Women's Day" in a different way!! A special program was organized **ONLY FOR WOMEN EMPLOYEES** of GCSMCH &RC. The celebration started with greeting all women employees of institute at the entrance. All ladies employees were given autonomy to wear any outfit which suits the decorum of organization and best dressed 3 female employees were awarded with 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prizes. On this day, an open platform was provided to enthusiastic female employees to

showcase their hidden talent.

Female employees participated in dance performance, women's day speech, singing and many more. Various fun filled games were also incorporated in the program for female employees to enjoy their day to the fullest.

# HR DESK

## HR Updates

### eHRMS online across institute

A Human Resource Management System (HRMS) is a type of software program that can be utilized to help employees to improve their productivity and the results of their efforts. We have successfully implemented this system across the organization and employees are availing the benefit of the system.

### Employee Welfare Activity

Birthday celebration has been a great way for employees to recognize colleagues

and provide social moments during the busy work life. We had quite a number of colleagues who celebrated their birthdays in the month of Nov-Jan 2015. It was a joyous one where staff members came together to congratulate birthday celebrants. This celebration is preferably planned on last day of the month. The celebration started with lots of good wishes from the management & colleagues accompanied by refreshment & spontaneous games for celebrants.

## Training & Development

### Soft Skills

Most occupations require that those who work in it have certain abilities that allow them to do their jobs. Soft Skills are important for all the employees. Front desk is the face of the organization and requires more soft skills for dealing with patients. Soft skill training session was organized for front desk executives.

### RJ Archana ka Challenge!

A fun filled activity session was held for employees. FM 94.3 fame RJ Archana came for the session and various games were played. Winners were also awarded with the prizes.

### Ergonomics @ Workplace

Ergonomics can make job easier and keep employees safer. Regardless of industry or the size of organization, applied ergonomics can help get a good night's sleep. Along with the satisfaction that employees will be safe from hazards and ergonomics risk factors, organization's profits will stay with the organization instead of being used to pay workers' compensation claims. To serve the purpose and providing safe work practices to employees, training session was organized on "Ergonomics @ Workplace" where in employees were informed do's and don'ts of workplace ergonomics along with few helpful health tips and exercises.

### First Aid Training

The first aid training session was delivered to critical patient care area employees for deepest understating on the same. Team of Anesthetists were the specialist faculty for the training session.

# UPDATES

## Hospital Services

### Dr. T. B. Patel Drug Bank

**Dr. T. B. Patel Drug bank** run by the Gujarat cancer Society was started on April 1<sup>st</sup>, 2000. The aim of this drug bank is to give medicines at the cheapest rate to the patients. GCS provides costly chemotherapy drugs and antibiotics at negotiated subsidized rate. Society is not taking any profit/service charges from the patients. Thus, patients get drugs at discounted prize as compared to market cost and they don't have to go out to purchase

medicines as they easily get them within the GCRI premises itself. Around hundred patients are taking medicines from this drug bank every day and the services are available from 9.00 am to 8.00 pm.

Through this activity they try to deliver their best service, which is being very useful to our cancer patients. This noble service of Gujarat Cancer Society is appreciated by beneficiaries and public.

# A ONE-STOP DESTINATION FOR ALL YOUR HEALTH CARE NEEDS

**2,00,000+**  
patients every year
