## From Chief Editor's Desk

Welcome to the 32nd GCSMCH&RC newsletter.

I hope you are staying safe and healthy through these unusual times! We've been busy since our last newsletter! As the cases of COVID-19 increases and continues to evolve in our country, GCSMCH&RC is committed to the health and safety of our staff and providing timely and appropriate treatment to the ones in need.

Diseases bring in a lot of curiosity with it and the ambiguity on how to deal with various circumstances in this scenario can be troubling. Apart from just treating the patients, we have been broadcasting various informative and awareness videos with the help of our consultants to educate the audience by large. Our Live Social Media Talks with the panel of experts has received an amazing response from the viewers.

The contribution of our staff as healthcare workers has been commendable and praiseworthy. The commitment to cure and serve the patients comes with its own set of disadvantages like physical exhaustion and mental exertion. To curtail this, on the occasion of Patient Safety Day, poster competition and What an Idea competition was organized to keep up the motivation and to percolate a wave of learning along with fun.

As we progress forward for the NABH assessment, we prepare ourselves to achieve this milestone together and sturdily. All hands-on board can help us sail through this swiftly. This will again be an opportunity to add another feather to our crown.

This COVID scenario has helped us in ways to better ourselves in the field of digitalization. We have improved our MyNet experience making it user friendly and even more attractive by adding self-learning modules.

You can read about various other achievements, activities & updates from around the organization in this 32nd issue of the GCSMCH Newsletter. As always, please send us your suggestions on how to improve our Newsletter at [communications@gcsmc.org](mailto:communications@gcsmc.org).

We extend our sincere thanks to all the GCSians for their undefeated and ongoing support. As we understand these times can be challenging and uncertain bringing along various opportunities and encounters along the way, united efforts can lead to accomplishments. These are uncertain times, but we will get through it - together.

**Ms. Neha Lal**  
Sr. General Manager - Operations & HR

## TOGETHER, FORWARD IN THE FIGHT AGAINST CORONAVIRUS!

GCS Hospital's COVID Wards has treated more than 3500 suspected and positive COVID-19 Patients successfully, which is a fabulous achievement for a private trust Hospital. Since the start of the pandemic, GCS Hospital has been designated as a COVID-19 facility. GCS Hospital has been a ray of hope for not only COVID Patients but also non-COVID Patients.

SUCCESSFULLY TREATED  
**3500+**  
COVID-19 PATIENTS

### DR. YOGENDRA MODI RECEIVES LIFETIME ACHIEVEMENT AWARD

## WORLD HEART DAY

On the Occasion of World Heart Day, an insightful session was given by Dr. Tarun Dave to emphasize about the importance of a healthy heart and a healthy life. He spoke about the various factors leading to deteriorating health which leads to cardiac mishaps. Along with that he threw light on the red flags individuals must pay attention to which may lead to heart issues. He advised the audience to make lifestyle modifications, maintain a healthy diet intake and recreational activities which will lead to fitness both mentally and physically. Various heart diseases were described in layman language to explain the audience about the mechanisms and prevention of the same both individually and clinically.

Dr. Tarun Dave  
Sr. Consultant - Cardiology

## WORLD PHARMACISTS DAY

Pharmacy team of GCS Hospital celebrated World Pharmacists Day by Rangoli making & Pharmacy Stores decoration. Pharmacy team also distributed Immunity boosters to all hospital staff. The team also created posters on Good Pharmacy practices & Patient safety awareness and exhibited at Entrance Area. The team celebrated the occasion with team lunch and cake cutting.

# EVENTS AND ACTIVITIES

## WORLD PATIENT SAFETY DAY

A safe working environment for health workers is essential in ensuring a safe environment for patients especially in current COVID Time. On the occasion of World Patient Safety Day (17th September), GCS Hospital organized a Poster Competition & "What an idea" Competition for employees on the theme "A priority for patient safety" with an objective to put a major emphasis on the learning factor regarding patient safety across the Hospital while increasing health-workers awareness and engagement.

We had received 22 amazing entries for this competition, which were exhibited in Seminar Hall with all the necessary precautions. The employees shared their innovative ideas through their creative posters on a variety of topics related to reducing patient harm and improving patient safety and care quality, enhancing health care safety, etc. The 5 best entries were rewarded with the award.

## THE ALL-NEW MYNET

The IT & SYSTEMS introduced the all-new MYNET with version v7.20 Warrior dated on 1st July 2020. Our new, upgraded version of the intranet is inaugurated virtually by every single user in the time of the COVID-19 pandemic. What makes such an intranet portal different is it provides all the information related to GCSMCH&RC at single click.

We have inaugurated our best as MYNET, the simplest way that advances user-friendly enhancing experience populated in:

- Fast Load Times
- Responsive Navigation
- Teams and Employees Insights
- Self-Paced Visuals and Learning
- Simple and Professional Web Design
- Well-Formatted Information Architecture
- Extraneous Media & Organization's 360 Updates

It creates an air of exclusivity of browsing and tells the viewers everything they need to know before they even begin to know. The more jubilant pyramids are on its way to enlighten the glory of MYNET within future version releases.

## WEBINARS

### Taking care of women's and children's health during COVID19

GCS Hospital has recently organized one panel discussion by experts to discuss and guide public on how to take care of women's and children's health during COVID19. Dr. Asha Shah (Professor - Medicine), Dr. Kanupriya Singh (Asso. Professor - Gynecology & Obstetrics), Dr. Prutha Desai (Asst. Professor - Psychiatry), Dr. Prarthana Kharod Patel (Asst. Professor - Pediatrics) joined us as expert panelist for this panel discussion which was moderated by Neha Lal (Sr. General Manager – Operations and HR). The panelists discussed various issues related to Women and Children's Health - Pregnancy, delivery and Breastfeeding in COVID Times, taking care of stress and mental health, children's education at home and strengthen their immunity etc. Over 5500 people took benefit of this online seminar which was streamed live on Facebook. To view the video : <https://www.facebook.com/gcsmc/videos/2606348449677594/>

### Let's talk about girls

GCS Womaniya group from GCS Hospital organized an insightful session - "Let's talk about girls" – an online panel discussion to discuss various issues related to teenage girls and their physical and mental health. Dr. Bhanu Desai (Asso Professor – Pediatrics), Dr. Jaishree Bamaniya (Asso. Professor- Gynec and Obs), Dr. Jigna Padhiyar (Asso. Professor – Skin and VD) joined us as expert panelist for this panel discussion which was moderated by Neha Lal (Sr. General Manager – Operations and HR). The panelists discussed various

issues related to teenage Girls' mental and physical health such as psychological changes, hormonal changes, skin and hair care, sexual awareness dealing with sexual activities during puberty, depression and suicidal thoughts, boosting self-confidence, addressing parents' relationship with teenage girls, dealing with negative peer pressure, bad habits such as smoking, alcohol, drugs etc. The expert panelists also guided on how parents should maintain positive relations with their teenage daughter and listen to her instead of being judgmental and make her comfortable. Over 3400 people took benefit of this online seminar which was streamed live on Facebook.

**Dr. Heena Chhanwal & Anesthesia Team**

**Dr. Asha Shah, Dr. Naimesh Patel & Medicine Team**

**Dr. Urvesh Shah**  
Microbiology

**Dr. Shubhangi Rathod**  
Resident - Biochemistry

## FIRE AND SAFETY TRAINING

Emergency planning & training directly influence the outcome of an emergency situation. Fire and Safety Training was conducted on the hospital for employees for spreading awareness & providing education on fire and electrical safety, various emergency codes etc.

The staff was given hands-on training on how to operate the fire extinguishers and various fire safety equipments. A proper demonstration regarding how to deal with fire was imparted to the staff by giving practical training on fire fighting. The motto behind having such training is to train the employees to utilize their maximum services at the time of emergency.

## ELECTRICAL SAFETY INSPECTION BY GOVERNMENT OF GUJARAT

Electrical Inspection was held by Office of the Assistant Electrical Inspector (Government of Gujarat) on 7th August'20. The inspectors inspected our electrical installations and services in detail, where they had appreciated our maintenance practices with documentation; and also marked our practices as benchmarks to guide other hospitals.

*Saluting Our*

## CORONA FIGHTERS

We salute the fighting spirit of our Corona Fighters in winning the battle against COVID19. Their spirit and resilience will inspire many to get through this challenging time.

## World Heart Day Camp

In the time of COVID-19, taking care of a heart is more important than ever before. Cardiovascular disease (CVD) has been the major cause of deaths across the world. People with CVD and its risk factors, including diabetes, hypertension and diabetes, are more vulnerable to severe forms of coronavirus. In the time of COVID-19, CVD patients are faced with a double-edged threat. Not only are they more at risk of COVID, but they may also be afraid to seek ongoing care for their hearts. Keeping in view of this, we had organized a Free Cardiology OPD Camp from 21st September'20 to 30th September'20 at GCS Hospital, on the occasion of **World Heart Day** (29th September). More than 120 Patients took benefit of this camp.

## PHARMACOVIGILANCE

Spontaneous reporting of ADRs is back bone of safe medicine.

Following Important ADRs were reported recently to Pharmacovigilance Committee of GCSMC.

Compilation: **Dr. R. K. Dikshit, Dr. Nayan Patel**

Causal Medicine	Indication for Use	Adverse reaction (Reporting Department)
MVI	Gastritis	Itching and redness all over (Surgery)
Vitcofol-C (Folic acid, Methyl-cobalamin, Niacinamide, Vit C)	Pancytopenia	Fever, Chills (Medicine)
Normal saline	Febrile seizures	Fever, Chills (Medicine)
Calcium Gluconate	Resistant Tachycardia	Fever, Chills (Medicine)
Human Albumin	Hypoalbuminemia with high S Creatinine	Fever, Chills, Transient collapse (Medicine)

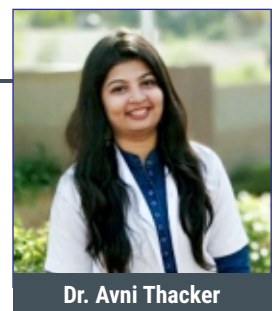

To report an ADR please contact **Dr. Vipul Chaudhari** (9825444336), **Dr. Sumit Patel** (9824223626) or Ext. 8499 (Department of Pharmacology). We remain thankful to all the reporting departments for their kind cooperation.

## ACADEMICS

### Anesthesia

The First YUVA ISACON National Conference of Anaesthesiology was held on 5-6 September 2020. It was attended by 11,500 participants. GCS Anaesthesia residents Dr. Avni Thacker, Dr. Dhara Kakadiya, Dr. Sanjay Baldaniya participated in a paper presentation.

**Dr. Avni Thacker** secured the second prize for presentation on "Effect of positioning in COVID 19 patient on noninvasive ventilation" guided by Dr. Carolin Smita Kerketta & Dr. Heena Chhanwal.

Dr. Avni Thacker

### Pediatrics

**Dr. Prarthana Kharod Patel** successfully completed the infant and young child feeding counseling specialist training program by the Breastfeeding Promotion Network of India (A national body affiliated with WHO and IBFAN working for Promotion, protection, and support of breastfeeding) in 2016.

She has been working in the field of infant and young child feeding counseling since then. This year she has been recognized by the BPNI as an authorized breastfeeding and young child feeding counseling specialist, when they launched their mobile application Stanpan Suraksha on August 7, 2020, for reaching out to mothers through telecommunication in the current era.

Dr. Prarthana K. Patel

## Radiology

**Dr. Ashutosh N. Dave**  
(Professor & HOD  
– Radiodiagnosis)

Dr. Ashutosh Dave has been elected unopposed as the President of the Gujarat state chapter of Indian Radiological and Imaging Association (IRIA) for the tenure of 2 years.

**Dr. Harsh V. Thakrar**  
(2nd year Resident -  
Radiodiagnosis)

Dr. Harsh Thakrar presented an oral paper at SONOCON 2020 organized by Indian Radiological and Imaging Association (IRIA). His paper on "Importance of ultrasonography in the management of inguinoscrotal pathologies - surgeon's license in hands of radiologist" under the guidance of Dr. Ashutosh N. Dave was selected among 16 Posters out of nearly 800 abstract submitted from all over India.

## TB & Chest Diseases

**Dr. Tushar Patel** (Asso. Prof of TB & Chest Disease) was felicitated for his community services by Hon. CM on Independence Day

## Obstetrics and Gynecology

During July-September'20, total 45 different major surgeries were performed including 5 radical surgeries.

	Deliveries	Cesarean Section
Non-COVID	198	143
COVID	3	4
Total = 348	201	147

**Dr. Haresh Doshi**  
(Professor & HOD –  
Obstetrics & Gynecology)

- **Dr. Haresh Doshi** was elected as Governing Council Member of ICOG for the year 2021-22.
- He was invited as Expert in online advocacy meeting for textbook writers in ObGy held by PGI Chandigarh with UNFPA on 21st August'20.
- He delivered lecture as Faculty on "Instrumental delivery" in a Live Webinar for PG Forum presented by FOGSI on 29th September'20, which was attended by 560 PG Students & Doctors from all over India.
- He delivered an online lecture on "Cephalopelvic disproportion" as guest faculty in All India PG Training program - FOCUS 2020 on 30th Aug.
- He contributed a chapter in FOGSI Textbook in ObGy for PG on "Instrumental vaginal delivery".

**Dr. Divyesh Panchal**  
(Asso. Professor –  
Obstetrics & Gynecology)

**Dr. Divyesh Panchal** was appointed as clinical exam Nodal Officer by Dean Medical Faculty, Gujarat University for PG practical exams in all branches to be conducted at GCS Medical College.

## Surgery

COVID-19 has been an unprecedented situation for all of us. More so it has been difficult for the Surgeons to operate upon COVID positive patients as well as to decide upon elective surgeries. Post lockdown with rising COVID patients we had to start and perform elective surgeries with utmost care. We have performed various supra-major and major surgeries in addition to routine minor surgeries. Supermajor surgeries like Whipple's Surgery, Total Proctocolectomy with an ileal pouch, Commando with flap reconstruction, Superficial Parotidectomy, Low anterior resection, Retro-peritoneal sarcoma, Pancreatic necrosectomy, etc. Not to mention we have performed numerous Modified Radical Mastectomies, Exploratory Laparotomies Resection, and anastomosis, etc. We also have performed laparoscopic surgeries for Rectal malignancy, Cholecystitis, & Appendicitis.

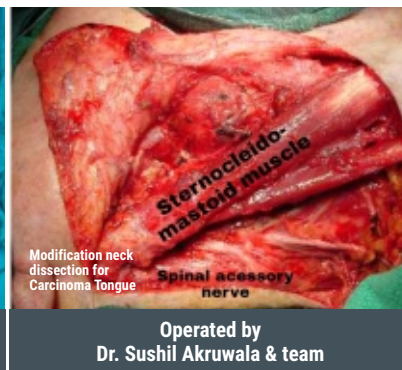

Operated by Dr. V. M. Sharma, Dr. Shashank Desai & team

Operated by Dr. Jaimish Gajjar, Dr. Dipak Trivedi & team

Operated by Dr. Nirav Patel & Dr. Akshar Patel in Emergency COVID Positive patient

Operated by Dr. Sushil Akruwala & team

## Neuro Surgery and Reconstructive Surgery

75 year old male patient presented with a very long-standing ulcer involving more than half of the head to OPD. The lesion was eroding into the skull bones and also the brain tissues were exposed. He was admitted and a diagnostic Biopsy of the lesion was done which suggested Basal Cell Carcinoma. After thorough medical management of the patient Surgery for the excision and reconstruction was planned.

During the Surgery Involved and eroded Skull bone with safe margins all around the ulcerative lesion was removed with preservation of the dural covering of the Brain by **Dr. Kushal Shah**, Consultant - Neurosurgeon. Tumor tissue present over the Dura was also removed gently. Then **Dr. Pramod Menon** (Consultant - Plastic Surgeon) esthetically raised a large scalp flap to cover the defect. The recovery from surgery and anesthesia was uneventful. Histopathology reports suggested free margins from all sides. After 3 weeks of follow-up, the patient is doing well.

## Orthopedics

48 years old Female Patient was asymptomatic before 13 months. The patient had trauma which resulted in sudden pain and difficulty in movement of the left leg which was diagnosed as Left Femur Subtrochanteric Fracture. The patient was operated for the same at LG Hospital in which DCS plating was done.

8-9 months later patient again presented with sudden pain in the left hip at the operated site which was diagnosed as a broken implant in situ, Patient was operated for the same in which longer DCS was used, and Bone Graft was taken from Left Anterior Superior Iliac Spine and left fibula. Surgeon was **Dr. J. G. Patel** (HOD, Unit -1, M.S. Ortho).

7 months later, the patient represented at GCS hospital with pain in the same left-side operated hip and difficulty in movement which was diagnosed again as broken implant in-situ due to non-union. For this patient was operated on 29 August 2020 for the same in which

- Broken implant was removed
- Cortical bone graft was taken from Right Fibula  
Cancellous bone graft was taken from Right Posterior Superior Iliac Spine
- Fracture is fixed with 11-hole DFL plate & anteriorly 7 holes 3.5mm locking compression plate kept & fixed with screws

At present, all incision sites are healthy, all suture was removed. No complaints from the patient side, the patient is able to seat pain-free.

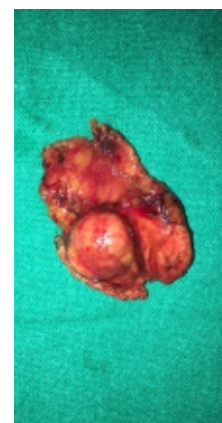

## Gastro-Surgery

Laparoscopic spleen preserving distal pancreatectomy for Neuroendocrine tumour tail pancreas (Insulinoma). A 40 yr old lady suffering from repeated hypoglycaemia with confusion altered behaviour, stupor (neuroglycopenic symptoms)( blood sugar : 28 mg/dl), relieved by Glucose administration(Whipple's triad) was found to have Neuroendocrine tumour(Insulinoma) in tail of pancreas. Her fasting Insulin levels were 8.85 microU/ml(normal range: 2.6-24.9), fasting C-peptide was 4.22ng/ml(normal range: 1.1-4.4ng/ml). Triphasic CT abdomen showed a 1.8 cm arterial enhancing lesion in tail of pancreas.

Laparoscopic spleen preserving distal pancreatectomy was done by **Dr. Rashesh Solanki** (Consultant - Surgical Gastroenterologist).

Postoperative course was uneventful and she was ready for discharge on POD 6. Histopathology revealed a grade 1 Neuroendocrine tumour. IGC is awaited.

## MBBS Graduation Batch – 2014

Ceremony was omitted due to COVID

### University Exam as per MCI Norms at GCSMC

University exams were carried out at GCSMC as per the guidelines issued by MCI.

### Continuous Online UG Teaching since April 2020

Majority of all Medical Colleges are taking e-classes in 1st MBBS, While GCSMC is still taking e-classes for 1st to Final MBBS.

### Visit of WHO Consultant for COVID-19 Assessment

**Dr. Yagnavalkya Jani** (NPSP, WHO Consultant) visited the GCSMCH&RC for COVID-19 designated unit assessment. He found overall excellent facility at COVID-19 area of GCS Hospital, Ahmedabad

## Gujarat University Result

**UG**

Final MBBS – 97%

Second MBBS – 100%

Third MBBS – 98%

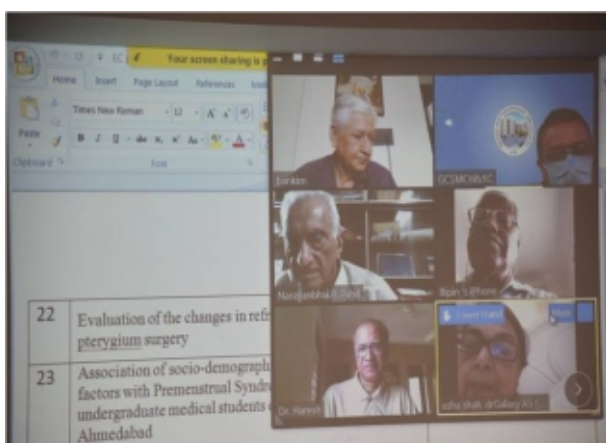

**PG (Pioneer Batch)**

28 Resident Doctors of 9 broad specialty appeared in Final Exam.

**100% Result**

## Institutional Ethics Committee through Video Conference

Ethics committee meeting was held on 14th September'20 through video-conference. The meeting was chaired by Hon'ble Justice Shri Bankim Mehta (Retd. Justice, Gujarat High Court). First dose of DNA plasmid vaccine of SARS CoV 2 to volunteers was started on 17th August'20. Approval was granted to two Clinical Trials including COVID Vaccine Phase-2, 19 Research Projects Related COVID & 23 Research Projects.

## Community Service

70+ Interns from GCS Medical College are doing Community Service for COVID Antigen Testing in Ahmedabad.

## MCI-BOG PG Inspection

MCI-BOG PG Inspection for Final Recognition in following broad specialities were carried out by Physical Assessments.

- General Surgery
- Orthopedics
- OBGY
- Radiodiagnosis
- Anesthesiology
- Psychiatry
- Dermatology, Venereology & Leprosy
- Pathology
- Microbiology

## Achievements

### Accredited by NABH

The Gujarat Cancer and Research Institute is accredited by **NABH (National Accreditation Board for Hospital & Healthcare Providers) for Pre-entry level** on 27th June 2020. Our dynamic Director **Dr. Shashank J. Pandya**, energetic Deputy Director & Hospital Administrator **Dr. Pariseema Dave** and **all the employee of GCRI** put lots of effort and hard work to achieve this remarkable status. GCRI is one of the largest cancer centre of the country with modern cancer facilities for diagnosis and treatment. All GCRI'ans are committed to best cancer patient care. On this amazing achievements GCRI congratulates to all the Doctors, Academic staffs, Administration staffs, Research staffs, Nursing staffs and other staffs for their wholehearted efforts.

### Increased seats in M.Ch Super-speciality Gynaecological oncology course

Department of Gynaecological Oncology at Gujarat Cancer and Research Institute got an increase of seats in **M.Ch** super-speciality Gynaecological oncology course from 1 (One) to 4 (Four) from the academic year 2020-21.

### GCRI/GCS ETHICS Committee for Biomedical and Health Research (BHR)

**GCRI/GCS Ethics** Committee for Biomedical and Health Research (BHR) is now registered with National Ethics Committee registry for Biomedical and Health Research, Department of Health Research (**NECRBHR, DHR**), Ministry of Health & Family welfare, Government of India. Congratulations to the Team of GCRI/GCS Ethics Committee for their efforts.

### GCRI/GCS ETHICS Committee for Biomedical and Health Research (BHR)

The GCRI has purchased a new mobile blood collection van to collect blood from voluntary blood donors from all over Gujarat having latest technology with the facility to collect four blood donors at a time and also with provision to maintain counselling confidentiality of blood donors. It was purchased under CSR activity, donation received from **Gujarat State Petronet Ltd.**

## Training

### Palliative Medicine: Training on medical use of Essential Narcotic Drugs

We all are getting accustomed to "New Normal" in this COVID Pandemic Era! Social distancing, Teleconsultations, online meetings, and Webinars have become part of our professional life. Department of Palliative Medicine, Gujarat Cancer & Research Institute, being nodal institution for ENDs Training, conducted this training on 3-4-5 Sept'20. The 20 hours of training, theory part was taught Online and practical session was at GCRI followed by exam. There were 15 participants which included pain physicians, anaesthesiologist, Gynaecologist, Intensivist & cardiologist.

### Blood Bank

Blood Bank has started a new module for online blood demand to make the service as paperless & for better record maintenance and for more effective and safe blood transfusion services. Training for the same was provided to clinicians (Resident Doctors and Assistant Professors) on 30-31 July and 4-5 August'20 and to nursing staff on 13-14 Aug'20.

## Training

### Microbiology

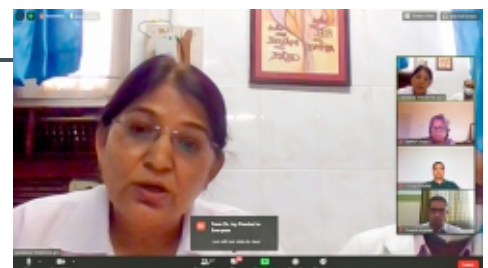

Rigorous Infection control & health safety training was imparted to not only to the HCWs working with COVID/NON-COVID patients but also to the NON-PATIENT related staff of the hospitals. The training focused on Hand Hygiene, Respiratory Hygiene, Environmental cleaning, and General Health by Emphasizing on the intake of immune boosters for resisting against acquiring Corona Virus infection by **Dr. Parijat Goswami**, Professor & Head of Microbiology and Infection control In-charge, GCRI.

Dr. Parijat, gave training specifically to Administrative Staff, Biomedical Staff, Medical record Department Staff, The technician from Radiology, Nuclear Medicine, Radiotherapy, Accounts dept, Human Resources Department, all Security personally, all Canteen Staff members (cooks and servers) Clerks, data operators, Stores / Lenin Department, Interns from GCRI & outside hospitals, Resident Doctors, Nurses, etc. During a period of fifteen days, around 648 NON-PATIENTS related staff of GCRI were trained and all of them were very happy to get training on respiratory breathing exercises with demonstration & on diet rich of immune boosters. During the last five months, the total Staff who were given infection control including donning & doffing training were around 3080 Staff members.

## Staff Achievement

Indian Association of Palliative Care (IAPC) was registered in Ahmedabad in March 1994 by **Dr. M. T. Bhatia** our teacher & Pioneer in Pain and Palliative Care. Again, it was a historical event when we called a zoom meeting of all IAPC members of Gujarat on 28th July 2020 under leadership of **Dr. Priti Sanghavi** (President IAPC Gujarat Chapter) and senior members to form an IAPC Gujarat Chapter.

## Celebrations

### Grey to Green GCRI

A tree plantation drive done on 6-7th August 2020 around new building GCRI under "Grey to Green GCRI" and more than 94 samplings is planted. Enthusiasm shown by all department's staffs and security persons. This drive was supported by **Ahmedabad Municipal Corporation**, Director **Dr. Shashank J Pandya** initiated step taken by **Dr. Kinna Shah**, Assistant Professor, Anaesthesia and **Dr. Rajan Garg**, Paediatric Surgeon GCRI for this green GCRI event.

### Three cheers to youngest department of GCRI: Palliative Medicine

Department of Palliative Medicine has celebrated Teacher's Day by honouring our beloved teacher **Dr. Geeta Joshi**. The department actively participated in "Grey to Green GCRI" Plantation. The department has also shown enthusiasm in celebration of **Independence Day** without forgetting their duty and guidelines during current pandemic.

## Health Check up Services

As we all know, due to COVID-19 pandemic, lockdown was enforced since 22 March & health check up services were suspended at Community Oncology Centre for the time being. We resumed our services with all necessary precautions from 15th July'20.

New arrangements are made as follows:

- Temperature is measured of all visitors at Entry Gate of Centre.
- We have created 'Triage Area', where detailed history of all Health check up visitors is taken. SpO2, pulse, temperature & respiratory rate are measured and they are provided triple layer mask.
- X-ray Chest is done for further screening of corona infection.
- We strictly follow the norms of 'Social Distancing'.
- 'Sanitization facility' with Foot operating system is available outside all the rooms.
- Patient's cot & all medical instruments are sanitized with Sodium Hypochloride solution in between examination of two visitors.

With all these precautions, we have done **health check up of 175 people** till date. Out of which 133 Female & 45 Males were screened. Approx 50 Female visited centre only for Mammography. Total **183 mammography** are done out of which 9 malignant mass lesions are detected. Thus, Community Oncology Centre is serving the society to fight against cancer during this pandemic period.

## Rakshabandhan Celebration

Rakshabandhan was celebrated for Hospice patients with all the necessary precautions Patients were given Hygiene Kits & Sweets.
